AI
READY

OPD & QUEUE

Live tokens, desk arrive, walk-ins, and visit status sync for smooth waiting-room operations.

LAB & PHARMACY

Hospital lab booking to report, send e-Rx, dispense, and inpatient MAR — paperless fulfilment.

CLINICAL HUB

Encounter notes, diagnosis catalogs, vitals, wellness plans, and checkout completeness.

AI INSIGHTS

Health score, lab trends, role dashboards, and operational visibility across portals.

WE PROVIDE COMPLETE HOSPITAL MANAGEMENT

Health360 by TechEarnest unifies patient identity, OPD, clinical care, diagnostics, pharmacy, IPD, billing, analytics, and hospital asset management on one modular platform.

BUILT FOR REAL HOSPITAL TEAMS

Doctors, reception, lab, pharmacy, nursing, and admins work from role portals with RBAC security — enterprise DNA from TechEarnest's ServiceNow & Salesforce practice.
