

THE COMPLETE HOSPITAL PLATFORM

Health360 by TechEarnest — modular hospital services for OPD, clinical, lab, pharmacy, IPD, billing, analytics & assets.

WE PROVIDE THE BEST HOSPITAL SERVICES

OPD & Emergency desk flow

Live queue, arrive, tokens — less waiting chaos.

Clinical & e-prescription

Encounter hub, signed Rx, wellness, follow-up.

Lab, pharmacy & IPD

Diagnostics to dispense, beds to billing & assets.

Improving hospital operations through better digital care

- **Purpose of this flyer:** introduce Health360 as TechEarnest's ready hospital product in one page.
- **What we aim for:** one UHID, one encounter, connected modules — no paper handoffs.
- **Who it's for:** hospital leaders, clinicians, pharmacy/lab teams, and IT decision-makers.
- **Why TechEarnest:** enterprise ServiceNow / Salesforce / Microsoft delivery DNA applied to healthcare.
