

Purpose: sell the complete hospital story – AI & modules, one page

This flyer exists to brief decision-makers fast: Health360 by TechEarnest manages the full hospital with AI-assisted workflows and modular services – clinical to assets.

Purpose

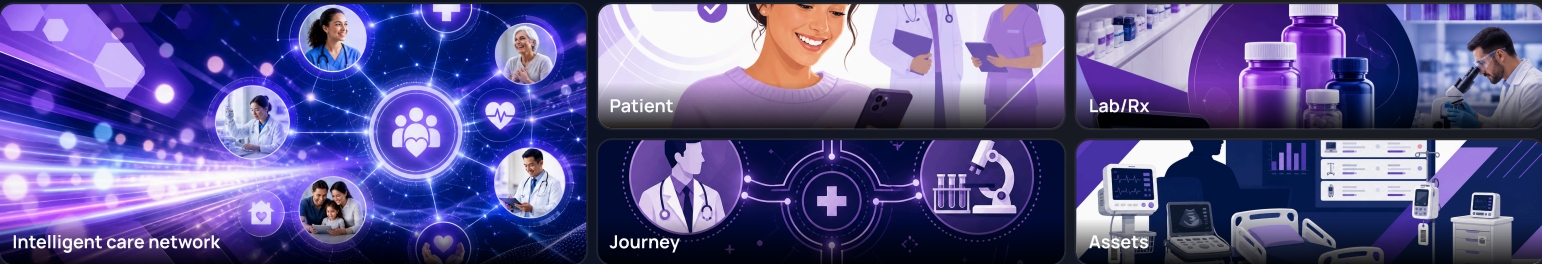

One-page product advertisement for Health360 – clear, dense, presentation-ready.

Aim

Prove we cover OPD → clinical → lab → pharmacy → IPD → billing → assets.

Behind it

End paper handoffs & tool sprawl with one encounter-driven platform.

SERVICE MODULES WE MANAGE

Identity & portals

UHID, 8 role portals, notifications, web + mobile access.

Clinical services

Encounter hub, e-Rx, wellness, follow-up, checkout completeness.

Diagnostics & medicines

Lab journey, pharmacy fulfil, MAR, radiology & OT.

AI analytics & assets

Health score, trends, biomedical & facility asset control.

- OPD Queue
- E-Prescription
- Wellness
- Lab Reports
- Pharmacy
- IPD / ICU
- Billing
- Asset Mgmt
- RBAC
- Multi-hospital SaaS

Flyer intention: leave the reader knowing Health360 is a ready TechEarnest product that runs the hospital as connected services – with AI helping teams move faster and safer.
