

Meet Health360

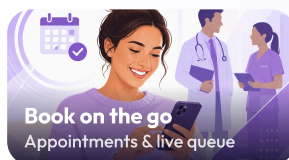

The hospital platform that turns waiting rooms, paper Rx slips, and lost reports into one smooth digital journey.

-  Instant OPD queue
-  Digital e-Rx
-  Lab in your pocket
-  Full hospital stack

Book • Arrive • Consult • Prescribe • Lab • Pharmacy • IPD • ICU • OT • Billing • Assets • Analytics • Follow-up

Care that feels alive

Built for real hospitals • patients, doctors, desks, labs, and pharmacies on one connected spine.
